

To,

The Commissioner,
Municipal Corporation,
Gurugram, Haryana.

Subject – Self declaration for exemption from Bulk Waste Generator Category.

Dear Ma'am/Sir,

We hereby declare that our establishment _____ situated at _____ does not generate more than total 100 KG of Municipal Solid Waste Daily. However, being a waste generator we ensure that we segregate our waste into three different categories of Wet waste, Dry waste and Domestic Hazardous waste. We declare that waste from our establishment is not littered, buried or burned, but is handed over to the authorized waste collector as per the municipal corporation's guidelines.

If our claim as per this self-declaration are found to be untrue, then we understand that Municipal Corporation can penalize us for not following the Solid Waste Management rules – 2016.

We commit ourselves to comply with any future changes by the government of India or Municipal Corporation of Gurugram for our category of waste generators

Yours sincerely
